

Reverso has been the premier maker of oil change systems for over 20 years.

Installed as standard equipment by a majority of boat builders

Valve Assembly Series

- These manifolds allow multiple hoses to be connected to one pump.
- The assemblies can be mounted in any direction.
- Mounting holes are pre-drilled for easy installation.
- Marine grade starboard
- Nickel brass full flow 1/2" ball valves

VA-3 & 5 as shown

Model	Width -	Height -	Length
VA-2 valve	1.1/2" x	4.1/4" x	5"
VA-3 valve	1.1/2" x	4.1/4" x	8.1/8"
VA-4 valve	1.1/2" x	4.1/4" x	11.1/8"
VA-5 valve	1.1/2" x	4.1/4" x	13.11/16"
VA-6 valve	1.1/2" x	4.1/4" x	15.13/16"
VA-7 valve	1.1/2" x	4.1/4" x	18.5/8" Special Order

Technical Specification

Pump Ports:	1/2" Flare NPT
Manifold Ports	1/2" Female NPT
Valves	Nickel Chromed full flow ball valve
Working Press	150 PSI
Material	Marine Starboard
Mounting Holes	3/16"
Color	White
